The special rugby world cup "Signs" magazine is finally here. If you would like to distribute some please see Julie at the name tag table.

CHURCH CLEANING

All Church attenders: As a result of a successful ad on TradeMe, we have the Breakthrough Church using all the facilities of our Church on Sunday mornings from 9am to 1pm. This means extra work for our cleaning team, so I am asking that you assist us in taking home any unwanted papers etc. after church, rather than leaving them in the pews. If there is anyone who would like to help by adding their names to the cleaning team, please contact Desiree (6255760 or desireeo@xtra.co.nz) or tell Julie at the desk in the foyer. Thank you so much for your help.

There are two weeks left for you to fill a shoe box for needy child for this Christmas. Message for Today

The financial value of U.S. citizens who have weakened credit histories and a greater risk of loan default was estimated at \$1.3 trillion as of March 2007. The current world-wide financial crisis is due to this credit history and what financiers call "Predatory lending" or "mortgage fraud" which in simple terms is banks loaning money or giving credit to people who can never pay that loan back.

The salvation value of citizens worldwide who have "salvation credit" is estimated at 6.5 billion people and of that number those who are practising "salvation fraud" is over 6 billion. If we as Christians don't want to fall into a "salvation crisis" similar to the worldwide financial crisis then we need to understand a critical biblical truth which will be addressed today in my sermon entitled **The Salvation Crisis** which will have its scriptures taken from Titus 3.
