THOUGHT for TODAY

There is little good in filling churches with people who go out exactly the same as they came in; the call of the Church is not to fill churches but to fill heaven.

Message for Today

Walking the Romans Road Part 2—'The Road of the Cross'

An Amazing Fact: In order to draw attention to world peace, in 1973 Patrice Tamao of the Dominican Republic allowed himself to be crucified as thousands watched on TV. Tamao had three six-inch stainless steel nails driven through his hands and feet and intended to stay on the cross for 48 hours. However, after 20 hours he requested to be taken down because he had developed an infection...In 1965, Daniel Waswa in Kenya compelled his wife to crucify him 'for the sins of all Kenyans.' After reluctantly obeying, his wife collapsed and died—apparently from shock. Daniel was rescued by neighbours, but he later died from an infection." (*Crucified with Christ, Inside Report, Amazing Facts*).

When the book of Romans speaks about being crucified with Christ what does it really mean? This Sabbath's sermon will provide the answer.
