

2. The Maker of Our Hearts

FOLLOWING JESUS BIBLE STUDY SERIES

Introduction

There are some really deep things about God that we'll never understand. There are also some very simple things, however, that He's chosen to reveal to us. One of these is by seeing Him as our Creator. It's a basic reality, with the most amazing meaning. Bow your head now and ask God to show you the Maker of your heart.

Question: Have you ever made something that you're proud of? What did it feel like when you finished making it?

1. A Creator God

Let's first consider what it means for Jesus to be your Maker.

a. Read Gen 1:1. *What is the Bible saying here? Why do think this is the very first thing God wanted to tell us?*

b. Read Col 1:16. *Who exactly did the creating?*

c. Read Psalm 19:1-4. *What is the purpose of creation? What does this mean about your purpose in life?*

God has made everything that you see. It all began with Him!

2. Just One Week

Now take a look at what actually happened at creation.

a. Read Gen 1:31 & Ex 20:11. *How long did creation take? And why?*

b. Read Gen 1:27 & 2:7. *How does God's creation of humanity differ from everything else?*

c. Read Ps 139:13-14. *How has Jesus made you?*

Knowing Jesus is our Creator is more than just believing that He has made everything. It means that everything has a purpose, and that purpose includes you! Jesus has intentionally made you.

3. The Power of God's Word

Consider the role that God's voice has in creation.

a. Read Ps 33:6. *What does this tell us about God's voice?*

b. Read John 19:30. *Where else were Jesus' words used with power?*

c. Read Heb 11:3. *What is it that helps us to truly grasp creation?*
